Surulere Teens Debate & STEM Championship & Young Leaders Network

JURISDICTION: SURULERE LGA & INVITED LAGOS SCHOOLS
STATUS: ARCHITECTURE CONFIRMED // DATES, VENUE & FIGURES TBC

Key Partners — 01 / PARTNERS

- **Secondary Schools (Surulere & Lagos):** School Principals, Designated Teacher Coordinators, Debate Coaches & Science/STEM Teachers nominating squads.
- **Corporate & Tech Patrons (TBC):** Engineering firms, banks, telecoms & tech foundations backing Title, Gold, Silver & Bronze tiers.
- **Adjudicators & Technical Judges:** Trained parliamentary debate adjudicators, university scholars, STEM educators & practising engineers.
- **YLN Mentors & Lab Hosts:** Coding academies, robotics labs, legal/policy professionals & civic leaders hosting post-event sessions.
- **Civic & Venue Partners (TBC):** Host auditorium authorities, safety inspectors, AV/printing vendors & educational foundations.

COALITION: SCHOOLS + SPONSORS + JUDGES

Key Activities — 02 / ACTIVITIES

- **Multi-Track Tournament Delivery:** Running Parliamentary & Tech Policy Debate (TRK-01), 5-Domain STEM Olympiad (TRK-02) & Innovation Showcase (TRK-03).
- **Academic & Rubric Design:** Drafting motions, Olympiad problem sets, adjudication rubrics & school briefing packs.
- **Safeguarding & Lab Safety Gate:** Enforcing child protection, guardian consent, RBAC data security & prototype safety checks.
- **YLN & STEM Labs Operations:** Inducting standout participants into year-round coding, robotics & policy mentorship cohorts.

Key Resources — 03 / RESOURCES

- **Academic & Governance IP:** Competition Rulebook, Debate Rubric (40/40/20), Olympiad Syllabi, Safeguarding Policy & Privacy Framework.
- **Digital Platform Stack:** Next.js 15 + TypeScript + Tailwind v4 public portal, Admin shell & planned Supabase RBAC/RLS database.
- **Human Capital:** Organising Committee (TBC), Named Safeguarding Lead, Adjudication Panel & STEM Technical Judges.
- **Physical & Lab Assets (TBC):** Debate chambers, stage buzzer systems, showcase booths & sponsored school STEM kits.

Value Propositions — 04 / VALUE THESIS

FOR SECONDARY SCHOOLS & STUDENTS
A prestigious academic arena uniting humanities debate, quantitative science Olympiad, and applied engineering prototypes under one faculty workflow.

YEAR-ROUND TALENT PIPELINE (YLN)
Transforms a one-day tournament into sustained coding/robotics bootcamps, policy seminars, and mentorship circles with Nigerian scientists & leaders.

FOR CORPORATE & INSTITUTIONAL SPONSORS
High-credibility CSR & STEM talent impact in Surulere, Lagos with stage co-branding, judge participation & measurable post-event reporting.

GOVERNANCE & PRIVACY GUARANTEE
Zero public exposure of student PII; registration strictly gated behind authentication, RBAC & formal child safeguarding sign-off.

WHERE ARTICULATE VOICES MEET SCIENTIFIC INQUIRY

Stakeholder Relationships — 05 / RELATIONS

- **Unified Faculty Point of Contact:** Dedicated relationship with each school's nominated Teacher Coordinator.
- **Safeguarding & Privacy Covenant:** Private guardian consent & zero public student records build institutional trust with parents & principals.
- **Cohort Mentorship & Alumni Network:** Ongoing fellowship engagement via Young Leaders Network & STEM Labs.
- **Partner Stewardship:** Custom sponsor scoping, ceremony recognition & transparent post-edition impact reports.

TRUST: FACULTY-LED + SAFEGUARDED

Channels — 06 / CHANNELS

- **Official STDSC Web Portal:** Dedicated routes for Format, Schools, Sponsors, Young Leaders, Safeguarding Policies & Contact Desk.
- **School Coordinator Briefings:** Direct outreach to Surulere secondary schools with rulebooks, motion banks & Olympiad practice packs.
- **Live Championship Arenas (Venue TBC):** Debate chambers, Olympiad buzzer auditorium & STEM Innovation Showcase exhibition hall.
- **YLN STEM Labs & Workshops:** Periodic in-person & seminar sessions hosted with partner institutions.

Target Segments — 07 / SEGMENTS

SEG-A / Secondary Schools (Primary)
Public and private secondary schools in Surulere LGA and invited Lagos districts, represented by Principals, Teacher Coordinators, Debate Coaches & STEM Teachers.

SEG-B / Teenage Student Participants
Secondary school debaters, quantitative Olympiad scholars (Maths, Physics, Chemistry, Biology, Computing) & student hardware/software builders (exact age bands TBC).

SEG-C / Corporate & Institutional Patrons
Corporations, engineering & technology companies, financial institutions, educational foundations & civic bodies investing in Lagos youth STEM & leadership.

MULTI-SIDED CIVIC & ACADEMIC ECOSYSTEM

Cost Structure (Budget Framework // Figures TBC) — 08 / COST CATEGORIES

01. VENUE & LOGISTICS
Hall hire, seating, power, security, cleaning

02. ADJUDICATION & JUDGES
Panel expenses, training & moderation

03. MATERIALS & AWARDS
Trophies, certificates, ballots, school packs

04. TECH, AV & SAFEGUARDING
Hosting, buzzers, AV, policy compliance

Revenue & Institutional Support Streams (Figures TBC) — 09 / SUSTAINABILITY STREAMS

01. TIERED SPONSORSHIPS
Title, Gold (Track), Silver & Bronze packages

02. STEM KIT & LAB GRANTS
School robotics/microcontroller grants & YLN labs

03. IN-KIND & NAMED AWARDS
Venue, printing, prizes & category scholarships

04. GRANTS & SCHOOL FEES
Institutional grants; school fees TBC (accessible)

How STDSC compounds educational and sponsor value year over year.

Companion operating specification to the 9-block Business Model Canvas.

01 // MULTI-STAKEHOLDER ANNUAL VALUE FLYWHEEL

STAGE 01 // SCHOOL MOBILISATION

Faculty-Led Squad Intake

Surulere & invited Lagos secondary schools nominate Debate, Olympiad, and Showcase squads via a single Teacher Coordinator using curriculum-aligned briefing packs.

STAGE 02 // FLAGSHIP TOURNAMENT

Three-Arena Championship

High-visibility competition across Parliamentary/Tech Policy Debate, 5-Domain STEM Olympiad, and working Prototype Exhibition judged by independent panels.

STAGE 03 // YLN & STEM LABS

Year-Round Fellowship

Standout debaters, Olympiad finalists, and builders enter safeguarded coding/robotics labs, policy seminars, and mentorship circles, incubating projects.

STAGE 04 // PATRON ROI & RENEWAL

Measurable Impact & Scale

Verified impact reports, prototype outcomes, and alumni ambassadors attract renewed corporate sponsorships, STEM kit grants, and expanded school participation.

02 // INDICATIVE SPONSORSHIP SCHEDULE (OUTLINE)

INVESTMENT LEVELS TBC

TIER	FOCUS	INDICATIVE DELIVERABLES (TO BE CONFIRMED)
Title / Presenting	Primary Partner	Naming rights, premier stage logos, keynote & grand finale awards, flagship YLN integration.
Gold Partner	Major Track	Track co-branding (Debate, Olympiad, or Showcase), backdrop & web logos, exhibition booth.
Silver Partner	Significant Support	Website & selected material logos, ceremony recognition, technical judge/mentor nomination.
Bronze / Supporter	Contributing	Official website listing, certificate of appreciation, impact report acknowledgement.
Targeted / In-Kind	Lab & Event Aid	School STEM/robotics kits, YLN workshop hosting, venue/print support, named awards.

ALL SPONSORSHIP & NAMED AWARD AGREEMENTS ARE SUBJECT TO CHILD SAFEGUARDING & ADJUDICATION INDEPENDENCE RULES

03 // NON-NEGOTIABLE GOVERNANCE & RISK CONTROLS

MANDATORY GATES

GATE 01 / STUDENT REGISTRATION & PRIVACY LOCK
Production student registration is disabled until written Safeguarding Policy, Privacy Notice, Supabase Authentication, RBAC, and Row-Level Security (RLS) are formally approved and tested. Student PII is never published on public pages.

GATE 02 / VENUE & PROTOTYPE LABORATORY SAFETY
All STEM Innovation Showcase hardware and experimental models undergo safety screening. Hazardous chemicals, open flames, and unshielded high-voltage rigs are strictly prohibited.

GATE 03 / PLACEHOLDER INTEGRITY POLICY
Event dates, physical venue, organising body legal name, contact details, confirmed sponsors, and Naira budget figures are explicitly maintained as unconfirmed placeholders until signed off.

TECH STACK: NEXT.JS 15 • TYPESCRIPT • TAILWIND V4 • SUPABASE (PLANNED)
